Description

 Name: Dragon Tree (GB) Gelding (Gelded since registration) DOB: 25th April 2012 Country of Birth: Great Britain Sire: Halling (USA) Dam: Doggerbank (IRE) Looking for a calm, reliable, and athletic polo pony? Dragon Tree is a 12-year-old chestnut gelding and an Off-The-Track Thoroughbred (OTTB), making him suitable for low-goal polo players of all levels. This well-behaved gelding wears a windsucking collar, which successfully prevents any windsucking. Other than that, he is vice-free and has a wonderfully calm temperament. As an ex-racehorse, Dragon Tree is also ROR (Retraining of Racehorses) eligible, offering an excellent opportunity for those interested in ROR classes. He’s well-adapted, with great speed on the pitch and reliable behavior, making him a fantastic choice for competitive yet safe riding. Calm and dependable temperament Good speed and agility on the pitch Wears windsucking collar – no other vices Trustworthy and well-behaved Suitable for low-goal polo ROR eligible Located in Warwickshire UK. PM for more details or to arrange a viewing. Don’t miss out on this exceptional, versatile OTTB at an affordable price!
