## Description

Maya is a great mare from my own breeding. Easy stick and ball and rides comfortable. Played medium goal polo and strong ride off. In the yard she is a bit bitchy and in paddocks wants to be the boss. She has long hind pasterns, but this has not given any problem. She needs sliding boots in the hind for protection. Unfortunately she had a lung bleed in the 2024 season, thats why i am selling her. She has been on rest since 15 july 2024, so i am Looking for a nice home, somebody who wants a good horse for a decent price, but wont push her anymore to the limit. Stick and ball, club chukkers, low goal games. A comfortable and great horse that someone can really enjoy. Normally she would be worth 25.000,- but as i want to give her an easier life and retire her from competitive polo, i offer this deal only to those who fit the profile.

## Characteristics

- Easy performance
- Comfortable horse
- Easy to load
- Great stick & ball
- Patron horse
- Fast
- Beauty
- Super bloodline
- Strong ride off
